

Who We Are

Founded in 2017, Protohaven is a registered 501(c)(3) organization that engages a diverse community of makers by providing the space, tools, and education necessary to enable our community of learners various stages of creative aspiration. A community makerspace and workshop, and design and fabrication school, Protohaven seeks to create a safe and supportive environment for learning, creating, and community-building.

Protohaven is governed by a board of directors that meets on a monthly basis. The Board supports the organization's [strategic plan](#). The list of current board members can be found on the Protohaven [website](#).
