

Resources

Where to obtain materials, consumables, and tooling.

CONSUMABLES

Appropriate needles and bobbins are available in the consumables section of our store front. Both are sold individually for ease and convenience.

Members are reasonable for bringing their own thread and fabric.

- Needles: Singer 2020 70/9 or 110/18 9(70) 18(110)

Standard sharp needles. Sizes range thin to large.

- Bobbins: Singer Class 15

Transparent for ease of monitoring the amount of thread available during use.

- Thread & Fabric:
 - Always use the same thread in the upper tension and in the bobbin.
 - Light-medium weight fabrics are approved for use on this machine.
 - For heavy weight fabrics, please refer to our [Industrial Sewing Machines](#).
